ABSTRACT

A method of finding WWW pages, each of which includes at least one list of links to desired Internet resources, comprising:

providing a list of URLs;

automatically generating at least one query for an Internet search tool for WWW pages that include links to at least one URL of said list of URLs;

executing said at least one generated query to provide search results that include at least one of said searched for WWW pages; and

generating a response comprising at least one indication of one of said WWW pages, responsive to said search results.
